Dear parents:

It is with great pleasure that I am letting you know of an exciting change in our practice. **We are moving to a new location at 79 Sand Pit Road in Danbury, CT effective Monday, August,17, 2009!** We are going to be part of the new Children's Health & Wellness Center, a new state of the art facility of Danbury Hospital dedicated to the care of children and adolescents in our area. We are going to continue our individualized care for your child, while sharing this new facility with other pediatric specialists, nurses, health care providers, managerial, technical and clerical support staff, all committed to the best care of our pediatric population.

As part of this move, I am also joining Danbury Office of Physician Services (DOPS). DOPS is a large, multi-specialty physician group affiliated with Danbury Health Systems, part of Danbury Hospital. DOPS employs approximately 160 physicians and 390 full and part-time nurses, mid-level providers, managerial, technical and clerical support staff.

We are sure that you and your child will appreciate this change as much as we do. You will see a familiar face at the front desk, as Toni Ivey, my secretary and assistant for the past 8-years is also coming on board with us!

You can reach us as of Monday, August 17, 2009 at the following address and phone number:

THE CHILDREN'S HEALTH & WELLNESS CENTER
79 SAND PIT ROAD
SUITE 201
DANBURY, CT 06810

PHONE NUMBER: 203-790-KIDS (5437)

Any child with a previous appointment will keep that appointment. If you have any questions, please contact us. I cannot wait to see you all there.

Cordially,

Edwin R. Cruz-Zeno, MD
Pediatric Physiatrist
